

As proprietor of this, the finest Restaurant in the land...(no!) in the World.... (no!) in the universe....(no!) in existence, it gives me great pleasure to welcome you tonight to the opening of this fine establishment. I have been planning *Jamie's Oyster Bar* for the last year and am so excited about it.

This is the plaice(!) for a sea food diet. You see food, you eat it!

Yes I can assure you that you will have such a wonderful time in my restaurant that

you will come back again and again, begging for more. Tonight you may choose from a fine range of dishes - which will be cooked fresh for you. We leave nothing to chance. So sit back - relax and enjoy....

Best wishes

Jamie Oyster

And just to give you an even greater sense of excitement we are delighted to have with us tonight the BBC team that have been filming my glorious work for the last year - and some special guests. Allow me to introduce.....

Mr ROCK OYSTER

My hugely talented son!! Rock - has just made it big in the music world with the release of his first CD "I am Wailing" Go out and buy it right now.

Miss Antonia Dze -

Charming presenter of many TV programmes. Antonia has been working on my latest TV programme - *Two Many Cooks*

Mr Giuseppe Monzyopolis -

Giuseppe has been a friend and supporter of my businesses for many years. A world famous financier I've been trying to improve his Greek diet!

Mr Jim Kana -

Jim will be known to many of you as a fine Kiwi rugby player. 'The Scourge of the Poms', he has played 65 times for the All Blacks. Jim helped me with a programme a while back looking at how you could naturally build up muscle strength on a good diet alone

Mrs Francesca Dross -

Francesca has been my agent for years - she got me my first slot on the telly and to be honest I don't know what I'd do without her. It was through her that we started the documentary *Two Many Cooks*. It is her husband's show after all!

Mr Nick Dross -

It is my special pleasure that Nick is here with his film crew. Nick is famous for revealing crookery (rather than cookery!) in his series *BOTCHED JOB*
